How Much Can You Save by Staging Your House?

Statistics show that houses Staged4Sale by an ASP® sell much faster than those that are not Staged in this market. In fact, surveys by The International Association of Home Staging Professionals® and StagedHomes.com® of over 1,000 homes (62% vacant, 38% occupied) across North America prepared for sale by Accredited Staging Professionals (ASP®) show that Staged homes sell in an average of 23 days whereas homes that aren't take 130 days or more
THE INVESTMENT IN STAGING IS ALWAYS LESS THAN ANY PRICE REDUCTION!!!
